

# LOGGING ARTIFACTS

Below is a sampling of antique pieces, which were used for logging when Eatonville was a logging town. They can be provided to your class to give kids a “hands on” experience.

**Spring Board**  
Flexible board  
loggers stood on  
to fell trees.

**Vintage logging wedges**

**Broad Axe**  
Used to hand  
hewn logs

**Double Blade  
Falling Axe**

**Double man  
hand saw**

**We also have:**

- 2 picaroons
- 1 Springboard
- 1 Man Cross Cut Logging Saw
- 36 inch swivel style Logging Tongs
- 2 Peaveys
- 2 Branding Axes
- 1 Vintage Sheaver Block & Tackle Pulley
- 1 Hard Hat
- 1 Climbing Belt with attached safety rope
- 1 set of Climbing Spurs
- 1930's Vintage Chain Saw with eight foot blade
- Various other vintage chain saws
- 1 choker

**Classroom Demonstrations:**

- A rope depicting the size of a 10 foot tree
- An example of a board foot
- Shake splitting demonstration

**Picaroon**

**Cork Boots**
